Will you help a troubled rabbit get to sleep at night...?

Dear Parent or Guardian

I'm worried! I know Easter is a time for choccie eggs and yummy cakes and other stodgy things. But I'm a bunny with a conscience – and I haven't slept for weeks! It's like this:

I don't want the kids to spend Easter lying around, stuffing their faces and watching cartoons all day! NO WAY!!

Call me old-fashioned, but it's a bright and beautiful world out there, and I hope they'll be getting plenty of fresh air and exercise during the hols. (If they don't, I'm going to feel personally responsible!)

And that's why I'm writing to you. As you know, the **SuperStars Easter Eggs-travaganza** is running at the school. It's a 2-week MultiSports Club and I can promise you, it's gonna be a blast! (Look at all these games:)

**Football – Netball – Rugby – Hockey – Basketball – Rounders – Cricket – Dance –
Dodgeball – Athletics – Pop Lacrosse – American Football – Ultimate Frisbee!**

And all that from a carrot-crunching £2 an hour!

Did you know...?

SuperStars tailor their activities to suit kids of all ages and all abilities – so everyone gets involved, tries something new and reaches their personal best. What's more, they learn teamwork and develop vital leadership skills. No wonder everyone has a great time and gets a whopping confidence boost!

So – join SuperStars for Easter and I won't feel bad for handing out all that chocolate!!

The holiday club runs from Mon 29th March – Friday 9th April (except Good Friday & Easter Monday). SuperStars' fully-qualified sports coaches (who are all CRB checked) will be at the school from 10.30am till 3.30pm...or if you're a busy bunny like me, hop along at 9am and give your kids a head-start...

What happens now?

Well, if you want to know more, go to www.sport-stars.co.uk/parents. You can see what other parents (and kids!) think, and read about all those fun activities.

Then go along next week! There'll be a special sign-up area for people who wake up on the day and decide it's a great day for sport...

Here's to an egg-citing Easter!

P.S. All you need is a child, a packed lunch and some enthusiasm. Then whatever the weather, a great day is guaranteed. (And I'll get a decent night's sleep at last, knowing the kids are staying healthy!)
